

Cabins and Hotel-Style Rooms Now Available for Rent at Lutherock, Lutheranch and Lutheridge

At NovusWay, we believe that spending a few days in nature, waking to the sounds of birds singing and enjoying a beautiful change of scenery, can do wonders for the mind, body, and soul. In accordance with guidelines limiting group gathering size, we are now offering alternative ways for people to safely continue to use our sites to find respite and explore God's wondrous creation. Starting in August, we are inviting individuals, families and small groups to rent our lodging facilities and temporarily suspending all minimum group size requirements to stay in our retreat centers.

Make your reservations today by calling 828-209-6302 or emailing registration@novusway.org.

Each of our sites offers different lodging options, activities and natural environments to explore. Continue reading to learn more.
